The Thomas Cubitt

Belgravia - 44 Elizabeth St, London SW1W 9PA

Meat is a big deal at this Belgravia gastropub which actually butchers it on-site allowing them to play around more with the cuts they offer. All the other Cubitt House pubs are well worth a look too.

What's the Sunday roast? There's a lot of choice including roasted angus beef rump, roasted lamb leg or a half spatchcock free range chicken. There's also a roasted cashew & mushroom wellington.
