

# London's Best Roasts: Where To Go For A Sublime Sunday Lunch

## 6 The Coach Makers Arms, Marylebone

A pub roast that's more than a pub roast, The Coach Makers Arms' Sunday lunch has been created by celebrated chef Ben Tish. Traditional roasts prepared using quality British produce come with contemporary riffs - pork belly with spice quince, or kohlrabi apple and parsley slaw for example. For diners who are unable to choose, a selection of roasts to share is the perfect solution.
