

14 of the Best Restaurants, Pubs & Bars in Marylebone

11 The Coachmakers Arms, Marylebone Lane

From the exterior, The Coachmakers Arms looks not dissimilar to a standard London pub, but don't let that fool you. If you head down the stairs, you'll enter a noticeably plush cocktail bar reminiscent of a 1920's speakeasy. Drinks are created to celebrate the 'conviviality and kinship of clubhouses the land over', and include lesser known sips such as the Royal Bermuda Yacht Club, and there's a great range of craft beers available, too. A night here could easily be spent talking away to the knowledgeable bartenders who, if you're lucky, might just make you your very own, individually tailored cocktail, made specifically to your taste.
