We visited some of TikTok's trendiest restaurants this week and were not disappointed

London's best... posh pubs

BEST VIBES: **The Orange.**

To stay on brand – try their sorbet dessert (served in an orange) (Picture: The Orange)

We love anywhere that really commits to the bit, and Victoria's The Orange does so with gusto. The result of their recent refurb is a cross between an English inn and a Florentine palazzo, with walls plastered in soft apricot, plump terracotta cushions and a mouthwatering selection of **Italian-inspired pub sharers** (the deep fried buratta is a must) and pizzas (look out for their new monthly specials!). Stay on brand and order the boozy orange and Campari sorbet for dessert – it's even served in an orange!

Mains from £26. 37 Pimlico Rd, Victoria. Book [here](#).
